What is Word Mania?

Word Mania is a word-building challenge created by LiteracyPlanet, the world's leading online literacy resource for schools, tutors and parents.

Word Mania is a fun online completion that's designed to test the word-building skills of students. It's based on one of LiteracyPlanet's most popular exercises and any student from Years/Grades 1 to 9 can take part.

Schools that already use LiteracyPlanet have automatic access to the competition. Schools that don't have a LiteracyPlanet subscription can sign up to participate in the competition for free at:

www.literacyplanet.com/discover/wm-2023/

There are prizes to the value of AUD\$200,000/£103,500/US\$138,600 up for grabs for the top schools that win the Final Round.

Word Mania Key Dates

The dates below are in UTC, refer to the FAQs on www.literacyplanet.com/discover/wm-2023 region-specific timings.

Registration and Warm-Up Round

6 March - 23 April 2023 (UTC)

Competition Round

2 - 5 May 2023 (UTC)

How do my students play?

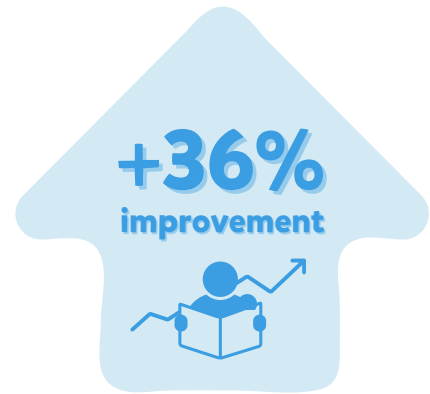

-  From a board of 15 randomly generated letter tiles, players have three minutes to create as many words as they can.
-  By dragging and rearranging letter tiles into the word panel at the bottom, Word Mania players build, extend and rebuild words.
-  Building a word with a Gold or Diamond tile earns bonus points, but be quick and choose your word carefully. The special tiles can only be used once and if you're too slow they disappear!
-  You can increase your word score multiplier by building valid words quickly in consecutive order and using special Gold and Diamond letter tiles when these appear.

How Word Mania helps

 Word Mania boosts students' word building skills, improving their knowledge of phonemes, morphemes, affixes and plurals, as well as spelling and word recognition.

 Word Mania has been shown to improve these key skills by an average of 36% over the course of the competition.

 Word building is a great challenge for developing complex literacy skills and is fun for students of all ages and levels.

 Students playing Word Mania will have full access to LiteracyPlanet during the competition, to try thousands of interactive and engaging curriculum-aligned exercises.

How does Word Mania work?

 Word Mania is open to schools with students in Years/Grades 1 to 9 to compete in.

 There are two 'rounds' in the competition:

Warm-up Round

This is the registration and practise period – to give students a chance to warm up before the competition (where the scores count).

Competition Round

Students will go head to head in the Competition Round for prizes and certificates.

 Keep track of your school's position on the Word Mania leaderboards on your Teacher Dashboard or on the public leaderboards.

Important

Word Mania Skill Scores are determined by the sum of the top 50 individual game scores, with a maximum of 10 scores from a single student. This ensures bigger schools and smaller schools are competing on an even playing field.

Top tips for Word Mania

-  Longer and more complex words earn more points.
-  Start by building as many small words as possible, and as quickly as they can. This will increase the multiplier, then spell a bigger word for a multiplied score!
-  Encourage students to get more value out of a base word by adding prefixes and suffixes.
-  If your students 'mark' an invalid word, their multiplier resets to zero, so encourage them to focus on correct spelling.
-  Don't waste time making rude or inappropriate words. Those words are invalid and won't score any points.

Leaderboards

Keep your students up to date with the Leaderboards. There's nothing better than a bit of healthy competition to keep them motivated and engaged.

There are a couple of leaderboards to be aware of.

School Leaderboard in your Teacher Dashboard
