

Get involved in the biggest and most fun literacy competition for schools!

Dear Parents,

As part of a commitment to providing high-quality literacy education, your child has a school subscription to LiteracyPlanet, a fun and engaging online resource.

LiteracyPlanet is currently running a word-building competition called Word Mania, where schools compete against each other for major prizes and certificates.

How Word Mania helps

Word Mania boosts students' word building skills, improving their knowledge of phonemes, morphemes, affixes and plurals, as well as spelling and word recognition.

Word building is a great challenge for developing complex literacy skills and is fun for students of all ages and levels.

Word Mania has been shown to improve these key skills by an average of 36% over the course of the competition.

Children playing Word Mania will have full access to LiteracyPlanet during the competition, to try thousands of interactive and engaging curriculum aligned exercises.
